

## WHAT IS BONUS, HOW CAN YOU EARN AND USE IT?

**BONUS:** FeelinHealthy offers a reward model for its members. When you receive a treatment through FeelinHealthy, **2%** of the total amount you paid will be credited to your account as **BONUS**.

---

### HOW TO EARN BONUS?

If you come for treatment and pay €10,000.00 at the end, FeelinHealthy will credit **2%** of this amount, i.e., €200.00, to your account for future use.

To complete this credit, you'll need to **upload a clear photo of the invoice/receipt** from the healthcare provider in your **Member Panel** after treatment. This is to ensure that any additional costs incurred during treatment or any payments exceeding the initial offer are taken into account in the final **BONUS** calculation.

---

### EARN EXTRA BONUS:

Once you arrange treatment with a healthcare provider through **FeelinHealthy**, a unique link will be generated for your account. You can share this link with friends, family members, colleagues, or anyone interested in treatment. For each person who receives treatment through **your unique link**, **€50** will be credited to your account. The more people you invite, the greater your chance of earning **Extra Bonus**.

### EARN EXTRA BONUS:

You can use all of the BONUS you've earned on your next treatment. But don't worry – **FeelinHealthy** is constantly evolving, and new ways to spend your BONUS will soon be added to our system.
